

To Those Who May Use These Programs:

The Faith Alive! series of programs are made available here on a “shareware” type basis. That is, you may download, examine, and try out part or all of a program without charge.

If you decide to use a program or a segment of a program, we ask that you pay a reasonable fee for the documents. For this *Faith Alive! for the Generations* manual we suggest \$60. If you use less than the full manual, we suggest \$10 for each session of the program that you use.
